

# NEWEAN EXTRA

PACKAGING  
25 bags

## BENEFITS

**SECURITY :** **NEWEAN Extra** contains 50 % of milk products and highly digestible protein sources. It is designed to fulfil nutritional requirements of young growing calves.

**VITALITY :** **NEWEAN Extra** includes high levels of vitamin E and organic selenium (100 % selenium in organic form).

**EASY TO USE :** **NEWEAN Extra** benefits from modern manufacturing technologies : 1) projection of liquid fat (dry technique) 2) the «Spray» technique allowing a higher solubility in warm water. Produced in a dairy industry.

**DIGESTIBILITY :** **NEWEAN Extra** raw materials are carefully selected for their digestibility : spray dried milk products, vegetable proteins of high biological value and vegetable fats.

**ECONOMICAL :** **NEWEAN Extra** is specially designed to reduce cost of production.

**NEWEAN Extra** is produced in an ISO 9001 factory.

## COMPOSITION

Milk products, vegetable fats, products and by-products of oleaginous seeds, products and by-products of cereal grains, vitamins and minerals.

Analytical composition		Additive per kg	
Crude protein	20 %	Vit A	25 000 UI
